who this man could be, but that his phone is non list. He asked if he had contacted the Police, or F. B. I., and he said No.

Mr. Walter Gehr (Wally's Grill/Circle Bowl) - (Res. 3851 Gasper Drive, FL 2-5969) called me and stated he believes Jack Ruby was in the bowling alley on the night of the Plot. He states in no way is he sure, but he thinks he saw him. Mr. Gehr also states that he believes Lee Oswald was there. He said a man he thought might be Oswald bought three cups of coffee from him. He further states this man was bowling with two other men, and that two women were waiting for them. The women had 2 small children with them, one was a baby in blankets, the other about 3 yrs. old. He states the man he took to be Ruby was sitting behind these people, and he didn't see them talk. The man he took to be Ruby was wearing a dark suit, white shirt, dark tie, and snap brim hat pulled low on head. Also his description closely fits Ruby. Gehr states he doesn't know what time Ruby left, but the other people left the alley about 3:15 AM. Mr. Gehr has given me the bowling sheet (attached) the other parties were using. Names on the sheet are Lee, Joe, and Hal.
